

Press release: January 2018

## 2017 SEHTA Healthcare Business Awards

SEHTA is pleased to announce the finalists of our 2017 Healthcare Business Awards. The Awards Evening will take place on Tuesday 6<sup>th</sup> February at the Holiday Inn, Gatwick and once again the Awards Evening has been kindly supported by [Kent Surrey Sussex Academic Health Science Network \(KSS AHSN\)](#).

**Dr David Parry, CEO, SEHTA said;** *“Once again our awards have demonstrated the excellence of small health technology companies in the South East. It’s a primary aim of SEHTA to help such companies’ access public and private sector markets with their innovative products and services”.*

Commenting on the awards, **Rob Berry, Head of Innovation at KSS AHSN**, said: *“KSS AHSN plays a key role in helping companies to navigate the healthcare maze, so we’re thrilled to be able to support the SEHTA Healthcare Business Awards, which do so much to recognise and reward the great innovative work taking place across the region”.*

### The finalists are:

**Export Award:** [Deltex Medical](#) & [Thor Photomedicine](#)

**Innovation Award:** [Solcom](#) and [Deltex Medical](#)

**Outstanding Achievement:** [Beamline Diagnostics](#) & [270Vision](#)

**Partnership with the NHS:** [Message Dynamics](#) & [Hobbs Rehabilitation](#)

**Start-up:** [everyLIFE Technologies](#) & [Bodychillz](#)

The winners of our awards will be entered into the [National MedilinkUK Awards](#) taking place on 25 April at the Ricoh Arena in Coventry, which is part of the [2018 Med-Tech Innovation Expo](#).

We would also like to thank all the companies who entered this year’s awards for their outstanding achievements in 2017.

Network**

## **Notes for editors**

### **South East Health Technologies Alliance**

Founded in 2005, the **South East Health Technologies Alliance (SEHTA)** is now one of the biggest health technology networking organisations in the country. Since its inception, it has grown to **1300 members from 20 different countries**. SEHTA provides significant support to companies, universities and public and private health providers through publicly-funded resources and programmes and private consultancy services. SEHTA has built excellent relationships with Academia, Business and Care/Clinicians and it sees itself in a unique position as the interface between them. The company has particular expertise in digital health.
