Facility Sharing in Life Sciences

Accessing Opportunities in South-West Germany

BioRegio STERN Mangement GmbH
Feb. 2nd 2010, Boxhill, UK

Location and Network

Economy

- Approx. 100 biotech companies
- Approx. 120 medtech companies
- > €230m investments in 3 yrs from VC, business angels, public funding, seed funds
- 3.3m inhabitants with high spending power
- Annual GDP of €110bn
- Several star automotive companies and suppliers (Daimler, Porsche, Bosch, Trumpf, Festo, IBM, hp)
- Strong medium- and small-sized businesses

ICT and E-health examples

- Robert Bosch Healthcare GmbH
- Any Care GmbH (Thieme publishers)
- Inmedea GmbH
- CareOn GmbH

What we have to offer

- Facilities:
 - 3 Universities: Hohenheim, Stuttgart and Tübingen as well as the University Hospital Tübingen
 - 8 Universities of Applied Sciences
 - 9 innovative institutes (Max Planck, Fraunhofer)
- USPs:
 - Regmed Health Region
 - Unique biotech-medtech synergies
 - Outstanding engineering sciences and know-how
 - Highly inventive talents
 - Ground-breaking thinkers

Examples for fields of excellence

- Proteome biochemistry, mass spectrometry, SILAC
- Hygiene management services
- Contract R&D for interfacial engineering
- Biomedical engineering and polymer processing
- Biomedical technology and surface technology, micro-electrode arrays
- Minimally invasive technologies, implants, surgical instruments, coatings
