

Press release: March 2017

### **2016 SEHTA Healthcare Business Awards**

SEHTA is pleased to announce the finalists of our 2016 Healthcare Business Awards. The Awards Evening will take place on Monday 3<sup>rd</sup> April at the Holiday Inn, Gatwick and once again the Awards Evening has been kindly sponsored by Kent Surrey Sussex Academic Health Science Network (KSS AHSN). We are also pleased to announce that David Clayton-Smith, Chair of KSS AHSN & Chair of East Sussex Healthcare NHS Trust will be the guest speaker at the SEHTA Awards Evening.

**Dr David Parry, CEO, SEHTA said;**

*“Once again our awards have demonstrated the excellence of small health technology companies in the South East. This year was the most competitive in our history. It’s a primary aim of SEHTA to help such companies’ access public and private sector markets with their innovative products and services”.*

**The finalists are:**

**Export Award:** [Baby2Body](#) & [NoxBox](#)

**Innovation Award:** [Lightpoint Medical](#) & [Forte Medical](#)

**Outstanding Achievement:** [PulseFlow Technologies](#) & [Xim](#)

**Partnership with the NHS:** [Medcura](#) & [Do Something Different](#)

**Start-up:** [Aparito](#) & [Oxford Heartbeat](#)

The winners of our awards will be entered into the national MedilinkUK Awards taking place on 26 April at the Ricoh Arena in Coventry, which is part of the [2017 Med-Tech Innovation Expo](#).

We would also like to thank all the companies who entered this year’s awards for their outstanding achievements in 2016.

## **Notes for editors**

### **South East Health Technologies Alliance**

Founded in 2005, the **South East Health Technologies Alliance (SEHTA)** is now one of the biggest health technology networking organisations in the country. Since its inception, it has grown to **1300 members from 20 different countries**. SEHTA provides significant support to companies, universities and public and private health providers through publicly-funded resources and programmes and private consultancy services. SEHTA has built excellent relationships with Academia, Business and Care/Clinicians and it sees itself in a unique position as the interface between them. The company has particular expertise in digital health.
